Dear Claimant Counsel, Dear Defendants

Pursuant to Rule 16.1 and Rule 21.7 of the DIFC Courts' Rules, and by virtue of the liberty to re-plead conferred by the order of H.E. Justice Thomas Bathurst dated 4 September 2025 (hereinafter referred to as the "Order"), the Third Defendant, behalf of the himself and on behalf of the Second Defendant hereby serves this Draft of Defence, as filed on the eRegistry today, 19 September 2025. Attached to this email, you will find a copy of the pleaded documents for your reference, along with the details of the Registry application. I kindly request that you acknowledge this Service within the timeframe set by the court rules.

Furthermore, I will send you a separate email containing the Witness Statement on behalf of the Second and Third Defendants as soon as the summation is completed.

Given that certain Supporting Documents are substantial in size, some have been compressed for the purpose of uploading them onto the eRegistry portal, which may impact their quality. However, the high-resolution files have been shared with you by uploading them to a drive from which you can download. Therefore, please inform me should any of the files fail to download or be accessed, and we will be more than willing to assist in resolving the issue.

thank you
