Dear Hair Creators Salon Management,

It is important that you to update the KYC details with ADIB Bank at the earliest possible.

Please contact the bank to inquire about the necessary documents required to update the bank's records and inform them that the salon ownership has changed.

“The rent cheques for the salon are drawn from ADIB Bank”.

Mr. Salah is unable to handle this matter or even visit the bank since he is no longer the salon owner.

I have informed you of this matter to avoid any potential issues with the bank.

Thank you.

Abier ALkordi
