the Hair Creators Salon Ltd is no longer my company as you know from 1 April 2024 and DBD is been collecting payments against the outstanding balance from me in person ever since and communication the remaining balance and SOAs to my email address (same email) so kindly for easy resolution you may update the remaining balance of 22k and reflect my personal name on it instead of hair creators in a written email here so that would prove my point at the court and the payments continues as planned.

If that is an option please let me know

Thank you

Dear Salah,

I hope this message finds you well.

Please find attached the updated SOA following the recent transfer of AED 5,000. However, I would like to note that this amount is insufficient to settle the outstanding balance. Given the current situation, it appears that it will take quite some time to resolve this matter.

The new salon owners are eager to move forward, and we are unable to proceed due to the existing bad debts on this account. Could you please advise us on a timeline for settling this balance? Your guidance would be greatly appreciated, as it will help us facilitate a smoother transition for the new owners.

Thank you for your attention to this matter. I look forward to your prompt response.

Dear Mr. Bassam

Thank you for threatening me.

Over the time we have informed you and your team several times that we need you to send me the physical copy of the pay cheques that you are keeping as soon as we release a payment but unfortunately you haven't sent any tell the moment regardless our request and payments made.

As I haven't heard anything from your "Legal Department " I will consider that as a tool to pressure us nothing more.

A payment of 30k will be transferred to your account this Monday morning and then you guys are requested to send me the equivalent amount of pay cheques that you're holding against us within 24 hours of the money transfer.

Else, I am going to assign my company lawyer to do the necessary for holding the cheques held by you even after paying.

Best Regards

Hi Salah,

As Feras mentioned the file has been transferred to the legal department so they can proceed with whatever action is required as the amount due has been pending for a long time.

Nevertheless if you can share the payment plan for the remaining amount, we can come to an agreement and avoid any unnecessary actions.

You can share the payment schedule by return, and we can meet on Tuesday as well to discuss and agree.

Waiting for your feedback.

Regards,

Dear Mr. Bassam.

I am writing here to let you know that we are about to make new payment against the outstanding balance of our accounts, I wonder that my previous email was an inquiry off the Legal action that your employee mentioned against Hair Creators Salon and that your lawyer is handling it !

Hence, I need a clarification from you in person about it before we transfer any payment in that regard as well as a clear statement of the outstanding that must match our records.

Awaiting your response

Salah Masri

dear DBD.

I heard from Mr Feras that you have submitted a legal case against Hair Creators salon recently.

I want to be in touch with your lawyer who's working on it because I want to forward the case to my lawyer to handle it.
All payments against the outstanding balance will be on hold until we have a clear agreement of the total remaining balance and the statement as well.

Kindly update us as soon as possible.
